ADVANTAGES

Secure transport option:

You can lock your HE3K to protect your cargo whether in a public space or in your driveway.

Weatherproof:

On long hauls, your belongings are kept dry and secure no matter the weather.

Flexibility:

You can lay out the interior to your liking with the use of the anchoring devices provided.

Year-round use:

With its molded fiberglass structure and aluminum chassis, your HE3K is built for use in winter and summer alike.
